Three 2019 Senior Profiles

Deasia

Starting her studies at Mitchell Community College, her long term goal is to become a midwife. After completing an associate's degree, she will transfer to continue her education.

Josh

Meet a future U.S. Army Officer--Josh has been appointed to the Army's Academy at West Point by US Representative Ted Budd. Thank you for your service!

Harrison

In the fall, Harrison will be joining the ranks of the Duke Blue Devils in Durham. He plans to major in Public Policy.

These are just three of our more than 150 seniors. As you can see, they have chosen different paths and have goals that are diverse. Many people have the notion that a Crosby Scholars is a "certain type" of student, but that's not the case. We welcome all students who are interested in joining and investing some of their time toward future success. So, if someone should ask if the program is right for their student, we think the answer is always, "Yes!"

New High School Coordinator

Kristen Montgomery

On April 1, Kristen joined our staff as the new High School Coordinator. Although new to Iredell County, she spent 18 months working part-time with Crosby Scholars in Winston-Salem prior to accepting her new position.

Kristen looks forward to visiting all of the high schools in the very near future to meet students. One of her first activities will be conducting the college visit trip scheduled for April 23 to

Wingate and UNCC. Kristen's main responsibilities will be working with 9th-11th graders, but she'll be helping out in other areas, too.

You may contact Kristen at kmontgomery@crosbyscholarsiredell.org or at 704-873-5005 ext. 1426.

Consider Becoming a Senior Advisor

Our class of rising seniors is our largest one yet which means we need more senior advisors than ever. If you would like to work with one or more students as they prepare to apply for college and financial aid, we need you! Training and support is offered throughout the year--you don't have to be an expert to start with! Please contact Jenniffer Jamison, Senior Program Coordinator at jjamison@crosbyscholarsiredell.org or 704-873-5005 ext. 1407 as soon as possible!! Or, click the button to submit an interest form.
