

## Spring 2020 Newsletter

# A Spring Like Never Before

In another year, we would be getting ready for end of the year recognition ceremonies and our Senior Gala. This year is different. There are many unknowns. We are hoping to be able to recognize publicly, but realize that may not be possible. Like many others, we are waiting and watching to see what the next few weeks will bring. We continue to offer updates through e-mail and our website. Crosby Club high school meetings have moved online as have some other events.

We had already been experimenting with online tools such as ZOOM. Recent events have caused us to speed up our learning curve! Also, we started to develop online academy content last fall. We continue to build our library of topics to have another avenue for students to learn and meet requirements.

April 21

## Virtual Senior Gala

At 6:00 p.m. on Tuesday, April 21, we will hold our virtual senior gala on Facebook Live. At this time, we will honor our 2020 seniors. Scholarships will be awarded. We will share information about Last Dollar Grants. Join us!

## Service to the Community

These photos show some of the community service our students participated in before and after social distancing began. During this pandemic, some of our students have helped by serving meals and providing free babysitting.

## Community Service on the Water

amount of hours: 15

I went down to the pond at the end of my neighborhood

and collected trash from the pond itself and around the banks

**A middle school student uses his kayak to perform community service**

Wyatt J., an 8th grader at Northview IB School, sent this photo. It shows the trash he collected over several weeks by kayaking on a pond near his home.

Until social distancing is no longer required, we will continue to find ways to offer programming to our students and parents. Thanks to all of you for continuing to support Iredell Crosby Scholars. We appreciate you!
