What's Happening at Iredell Crosby Scholars!

Getting Ready to Finish Before Starting Again

Seniors on the Home Stretch

Many of our seniors are getting acceptance letters, but still await the full financial aid package details before they make final decisions. In the meantime, many have been awarded other honors in sports, community service, chess, music, theater, art, academics, and summer opportunities. On April 30, we look forward to celebrating with all of them at our Senior Gala. Crosby Scholar awards will be presented that evening and all seniors will be recognized and presented with graduation cords.

Donate

For some fun and fundraising, one hundred fifty Crosby Scholars friends, staff, community and board members gathered at Lakefront Ballroom at The Point. Games were played, prizes won, and funds raised for grants and scholarships benefiting Iredell Crosby Scholars. Although a good time was had by all, we are still a little short of our funding goal for the event.

If you missed the event (or forgot to fill out a card that evening) and would still like to donate, you may use the donate button on this page, or mail a check to the address listed at the bottom of the newsletter. Please designate on the check that it is for grants or scholarships if that is your wish.

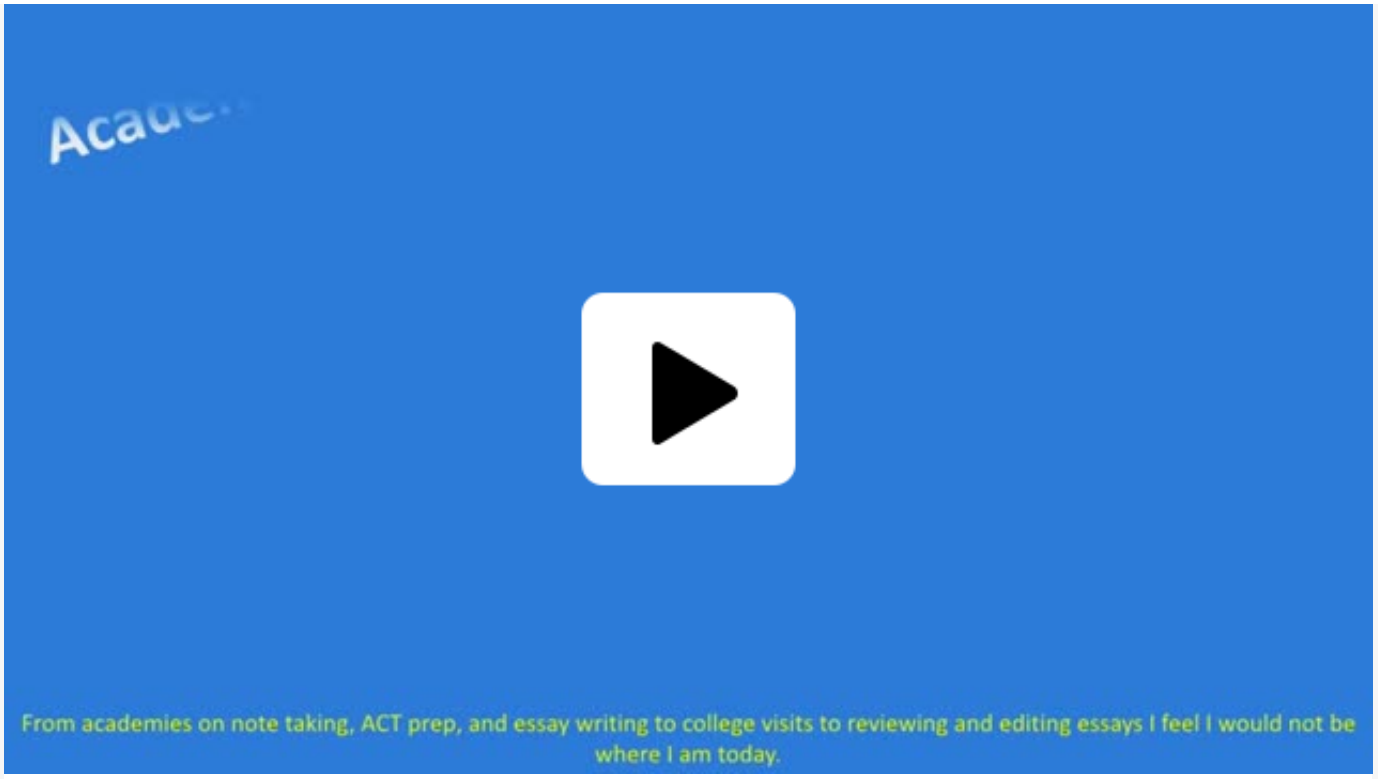
A huge and heartfelt thanks to all of you who supported the event and donated!

Did you know? Of the more than 2200 scholars currently enrolled, 31% will be first generation college students!

Aspire Video Submission

Seniors were able to submit a short video to compete for a $500 scholarship. They were asked to describe their aspirations and how Crosby Scholars has helped them so far toward reaching their goals. Here are three of the twelve submissions. The winner will be announced at the Senior Gala on April 30, 2019. (Each video is about 1 minute long.)

You may view all the submissions at https://www.youtube.com/channe...



From academies on note taking, ACT prep, and essay writing to college visits to reviewing and editing essays I feel I would not be where I am today.
