Student Spotlight

2018 Grad Koralys Rodriguez

Guess who was serving as a Student Ambassador at a recent Mitchell Community College event?

Koralys Rodriguez--that's who! Koralys is a 2018 Iredell Crosby Scholars graduate from SIHS.

She has been dual-enrolled at MCC and Lenoir-Rhyne University in the RIBN nursing program. Koralys has one semester left before she graduates with her B.S.N. degree.

She plans to work for a time before continuing her studies in a Master's of Nursing program. Her eventual goal is to become a nurse-midwife!

What's New with Crosby Club?

by Jennifer Christian, HS Coordinator

New this year!

Our Crosby Officers have been taking a more active role in determining what career and college access-related content to offer to students on-site at their schools.

What I didn't know as a first-time parent of a high school senior caused me stress!

Crosby Scholars would have helped me.

by Suzanne Wegmiller, Executive Director

The surprises kept on coming when I was helping our first child to prepare for college applications and enrollment. The challenges and frustrations I encountered played a big part in why I wanted to become involved in Iredell Crosby Scholars and help other parents and students!
